

THE DEMON

DU
HIG

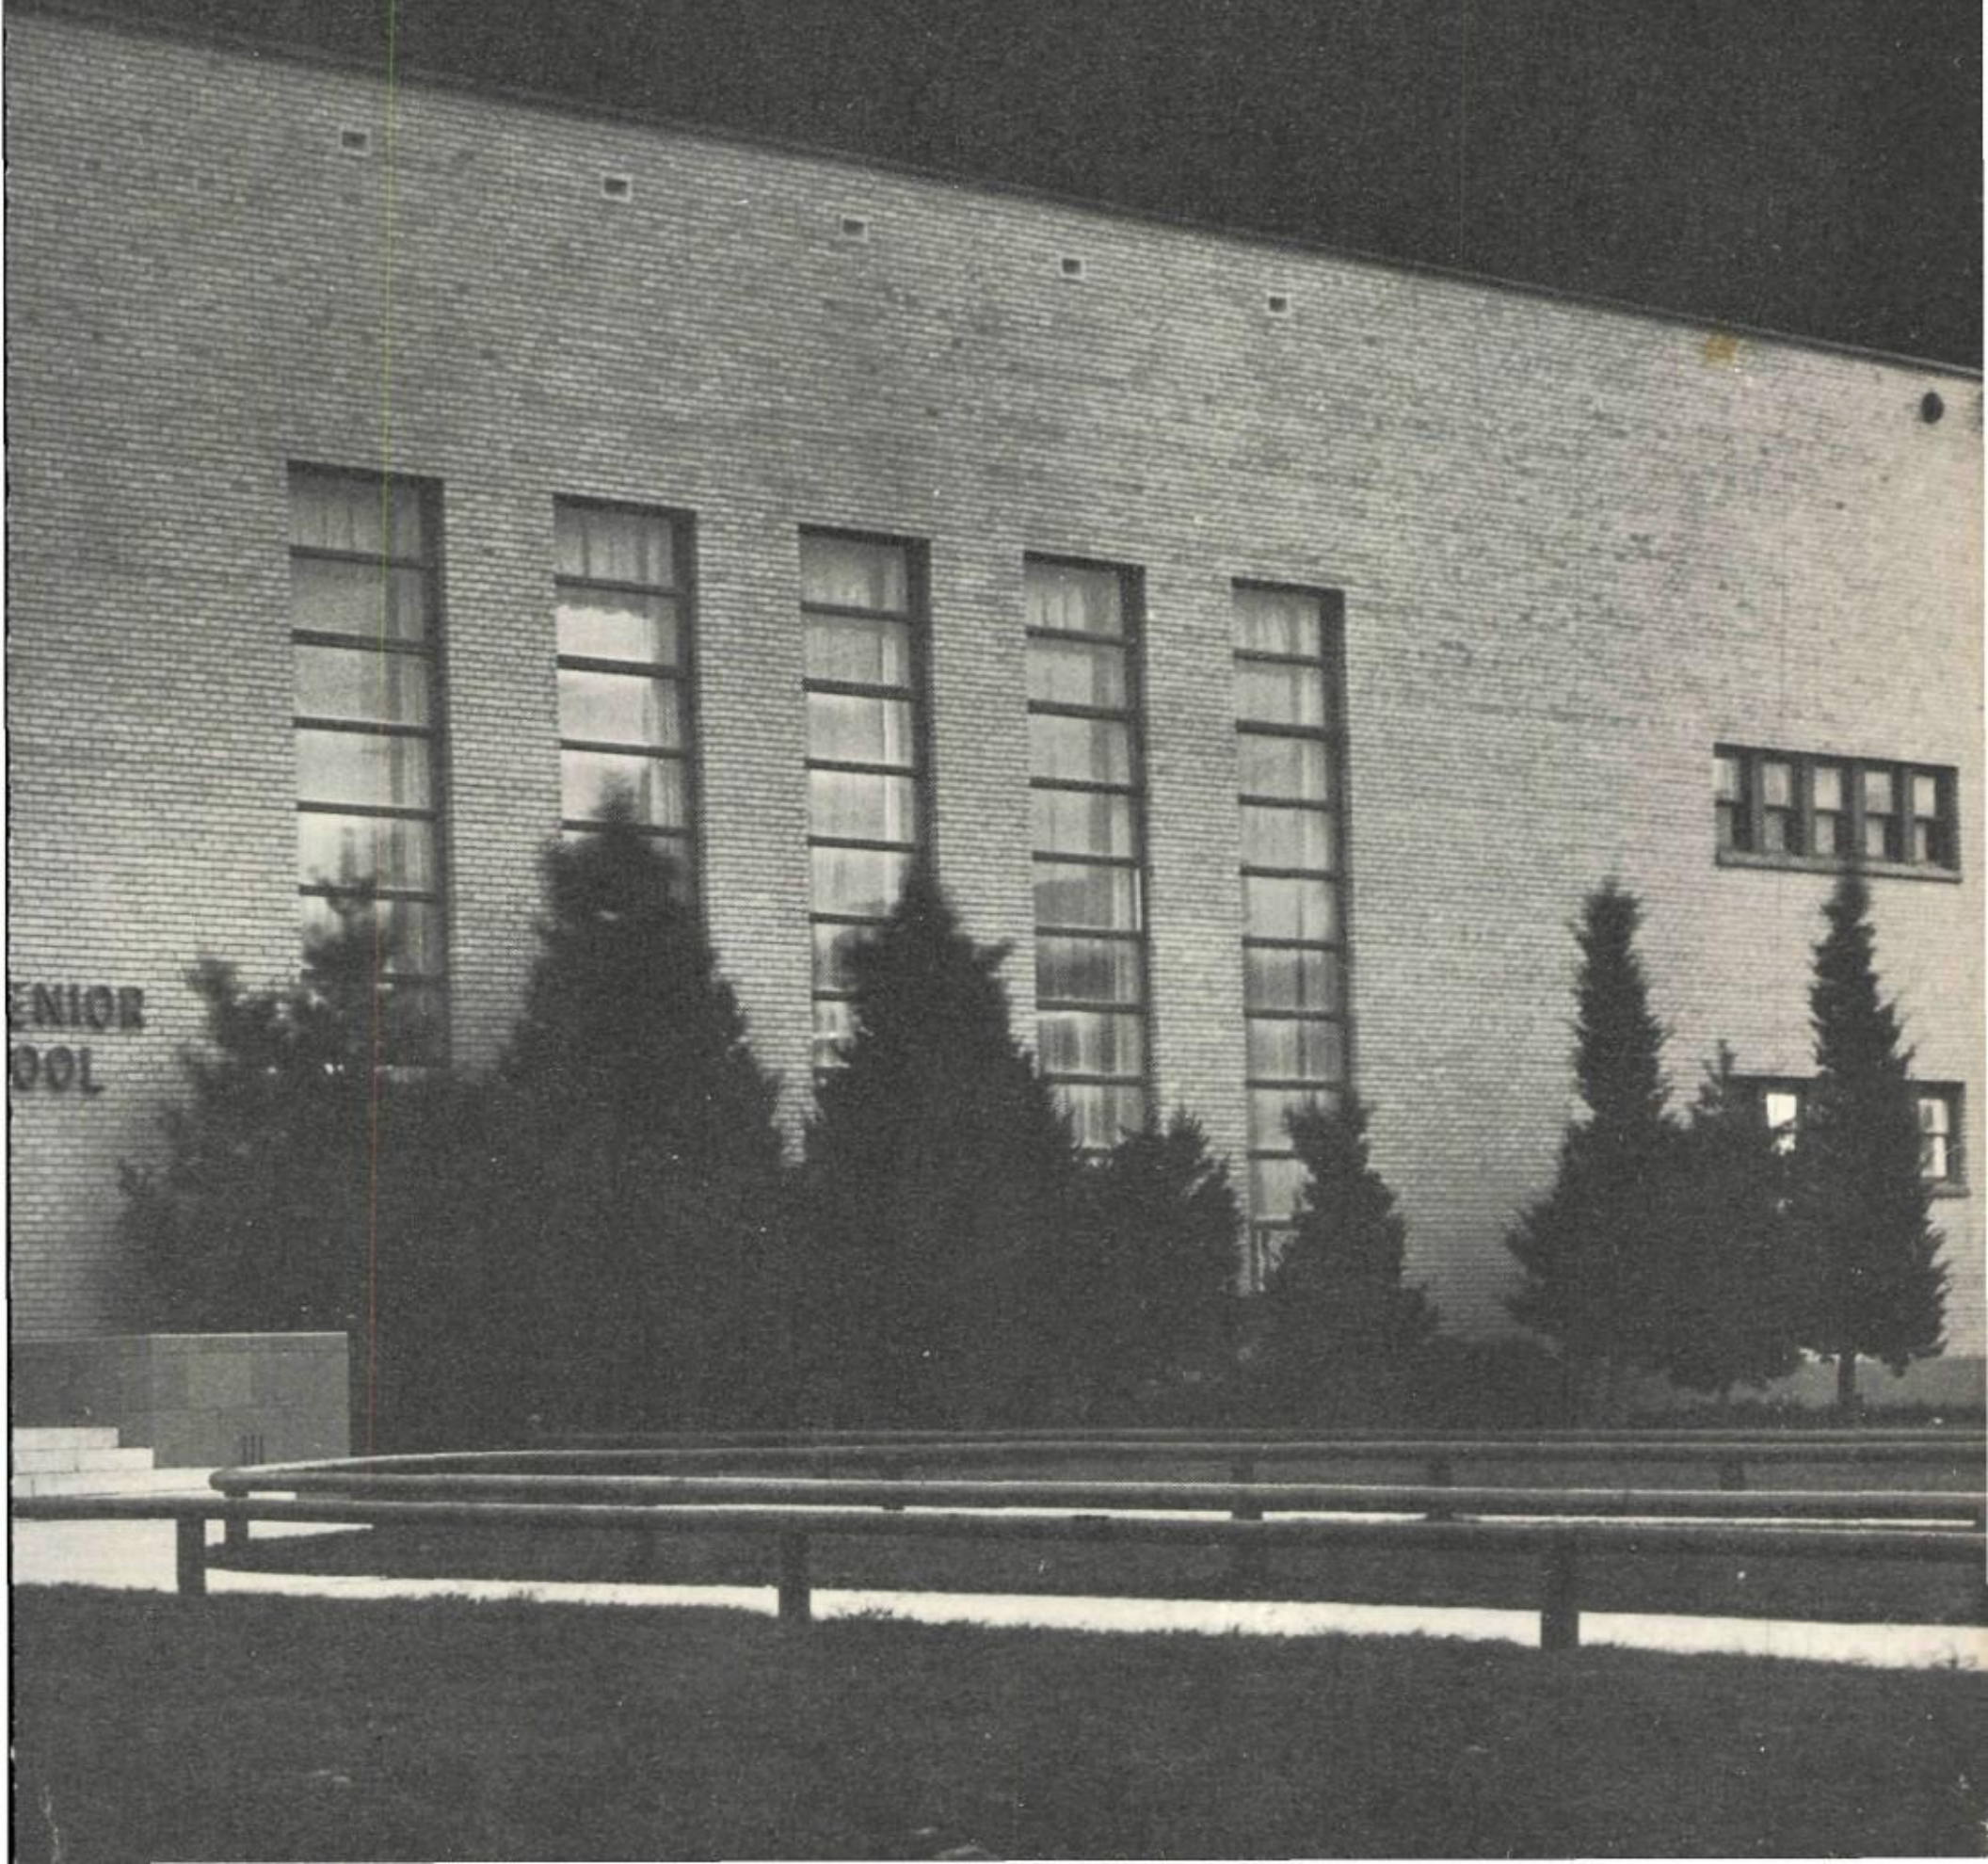

Dumas High School Beautiful,
Pride of all forever be.

In our hearts we say a prayer
for thy prosperity.

Strive for honor, love, and
truth with thy colors raised;

Dumas High School Beautiful,
ever we'll sing thy praise.

Myrtle McDonald

School*

Dumas, Texas

Dedicated

Europe, theme of the 1962 Demon, is
characterized by the vivaciousness
and undaunted spirit of our foreign
exchange student, Simona Carrer. We
are proud to dedicate this book to her
and her memory.

To Simona

I learned to love you, DHS, because I feel a part of you,
because you are a part of me, my friend.

And it is your merit if I do.

I want thank you, for your help.

I want thank you, schoolmates, for your friendship.

I want thank you, ball-boys, for making me feel so proud of
DHS, as hardly I have felt of anything else.

I want thank everyone that made for me so happy days, and
helped me to understand America, a nation that I learned
to love and for whom I wish peace and prosperity.

Simona Corvel

The Demon staff presents this volume---

A collection of friendly faces

A group of familiar places

A summary of sports thrills shared

A year's activities that cannot be compared

---To remind you, lest you forget - 1962.

Board of Education

The members are (l. to r.): Mr. Don Dollar, Mr. Holt Barber, Mr. Joe Sneed, President; Mr. J. R. Yell, and Mr. Frank McCown.

The Board of Trustees consists of five members elected for terms of three years by the residents of Moore County. The School Board plays the highly important function of deciding upon the general policies and procedures of government for the schools.

Representative of the business and industry of this area, Board members include Holt Barber, druggist; J. R. Yell, farmer; Don Dollar, assistant plant foreman; Joe Sneed, project engineer; and Frank McCown, attorney.

These men serve without pay to see that the Moore County schools are run smoothly and that the children are efficiently educated.

To these men, the citizens of Moore County extend gratitude and appreciation.

MR. BILL BRANTLEY, counselor and friend to all of the students in DHS, finds time in his busy life to listen to the problems of every Dumas student.

One of the many jobs Mr. Brantley does each day is giving advice on choosing colleges, taking tests, and planning course of study. Marilyn Mitchell is shown discussing a test with Mr. Brantley.

It's the last dance so why
can't I lead now.

If the skirts get any shorter I'm
going back to blue-jeans!!

How'd you know my grandmother had a wooden leg?

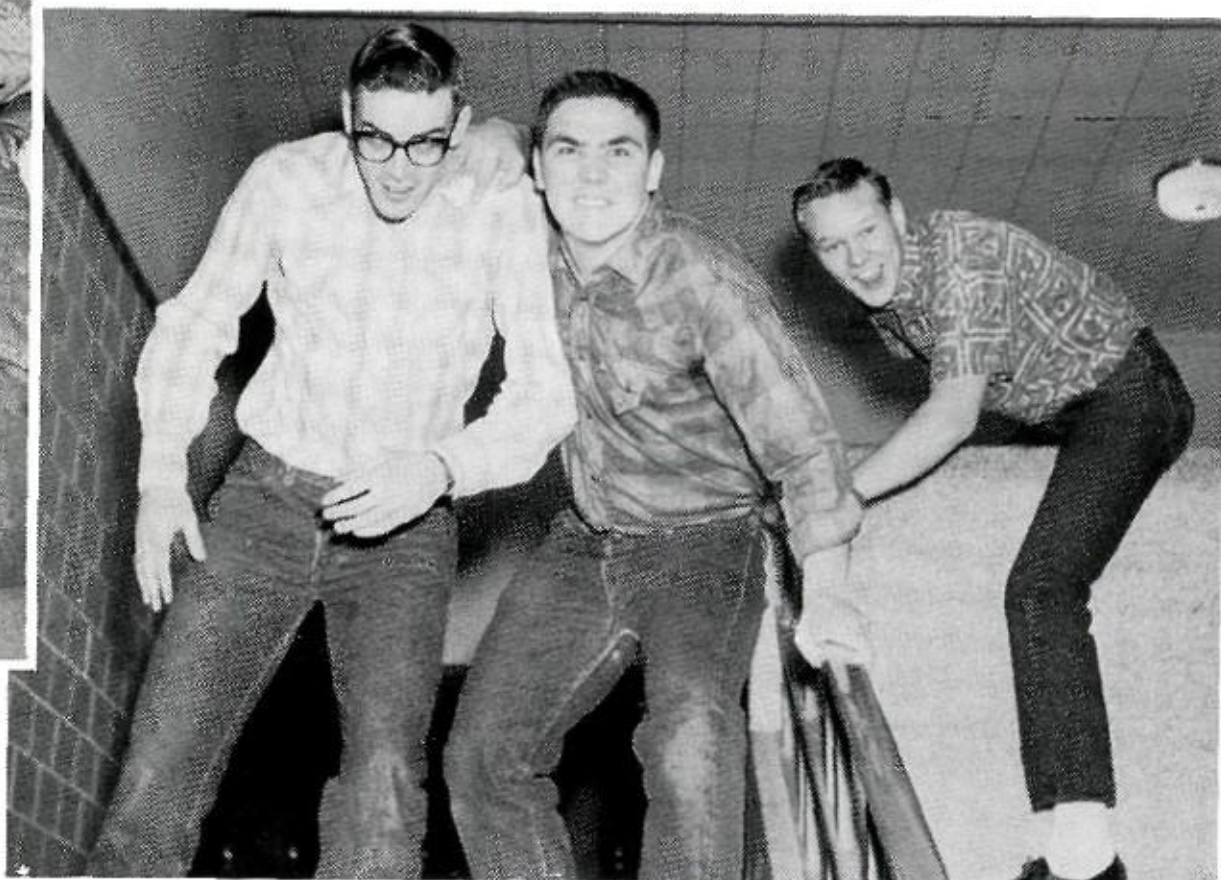

Don't go away mad, just go away.

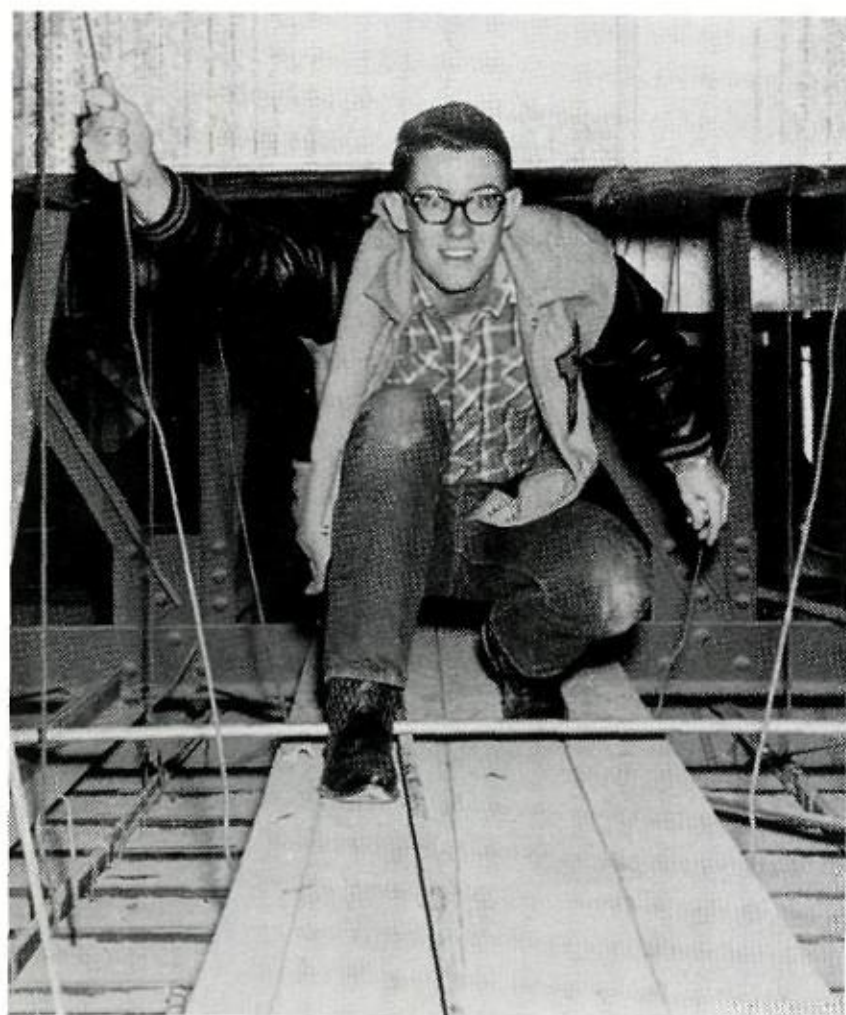

Are you sure nobody's looking?

Somebody was looking!

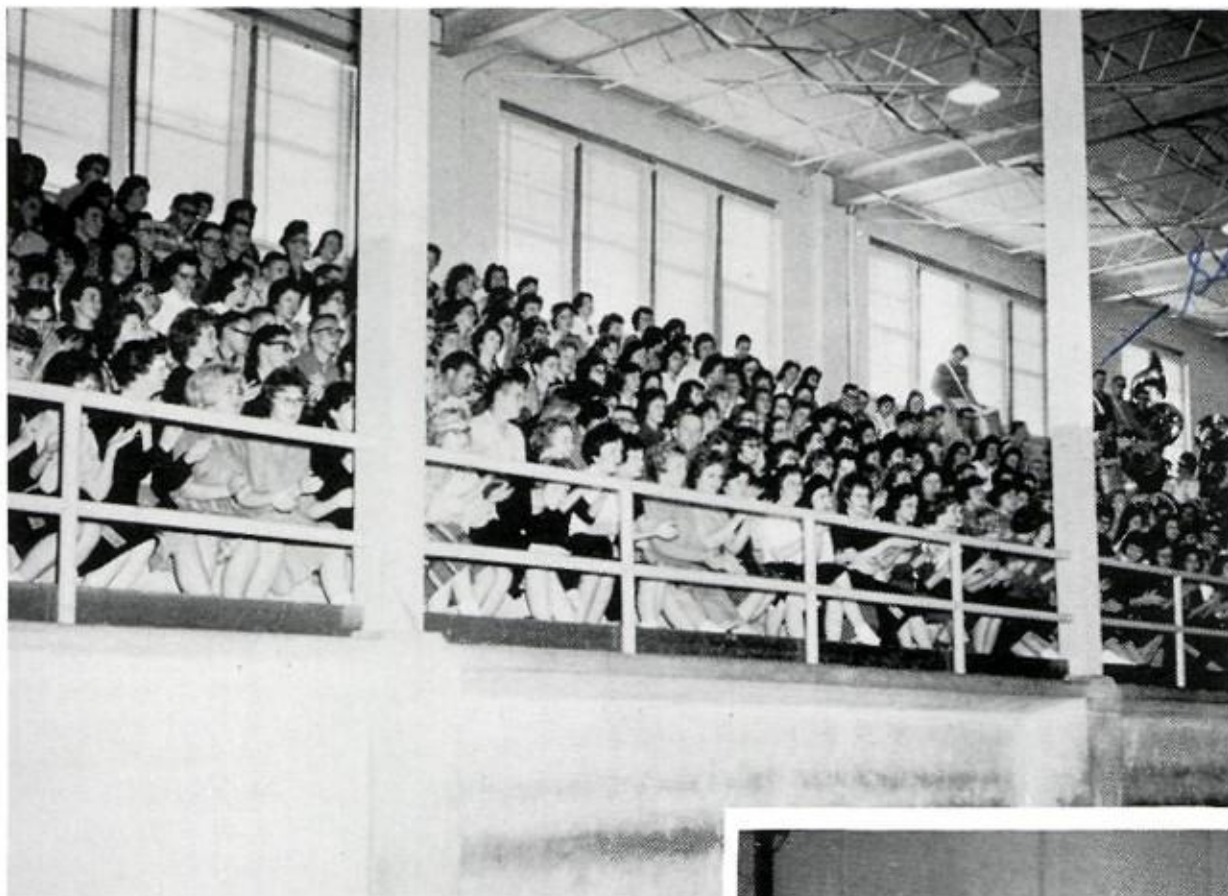

I'll be first in the lunch line if it kills me.

I'll find the HATCHA-HATCHA CLUB or else!

YOU'LL never find the Seniors' Hacha-Hacha Club!!

The spirit that helped
win the state championship!!!

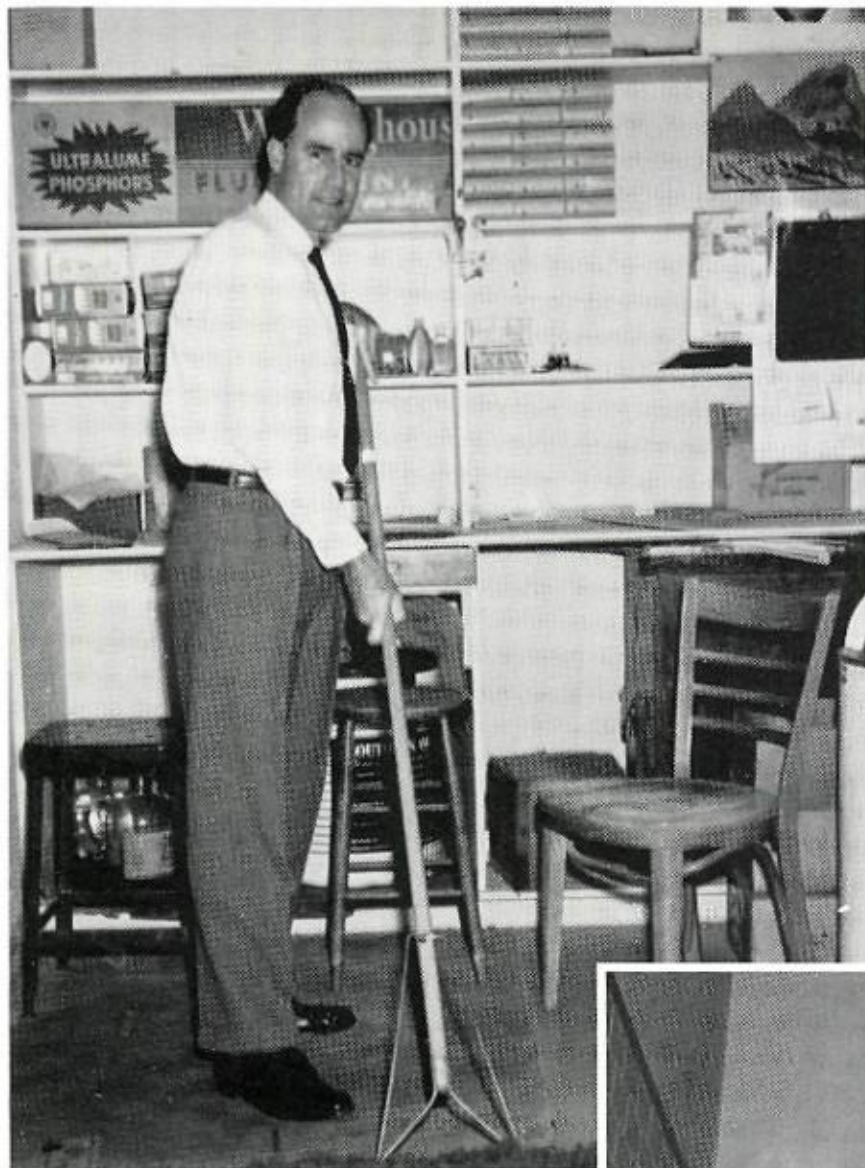

Mr. Bartlett, Mr. Vick; new occupations??

Hey! Dr. Livingston!

Chivalry is not dead!!

I don't EVEN get paid
UNION WAGES!

and, I say Lady
MacBeth was innocent!

Please, I forgot to pay my insurance this month.

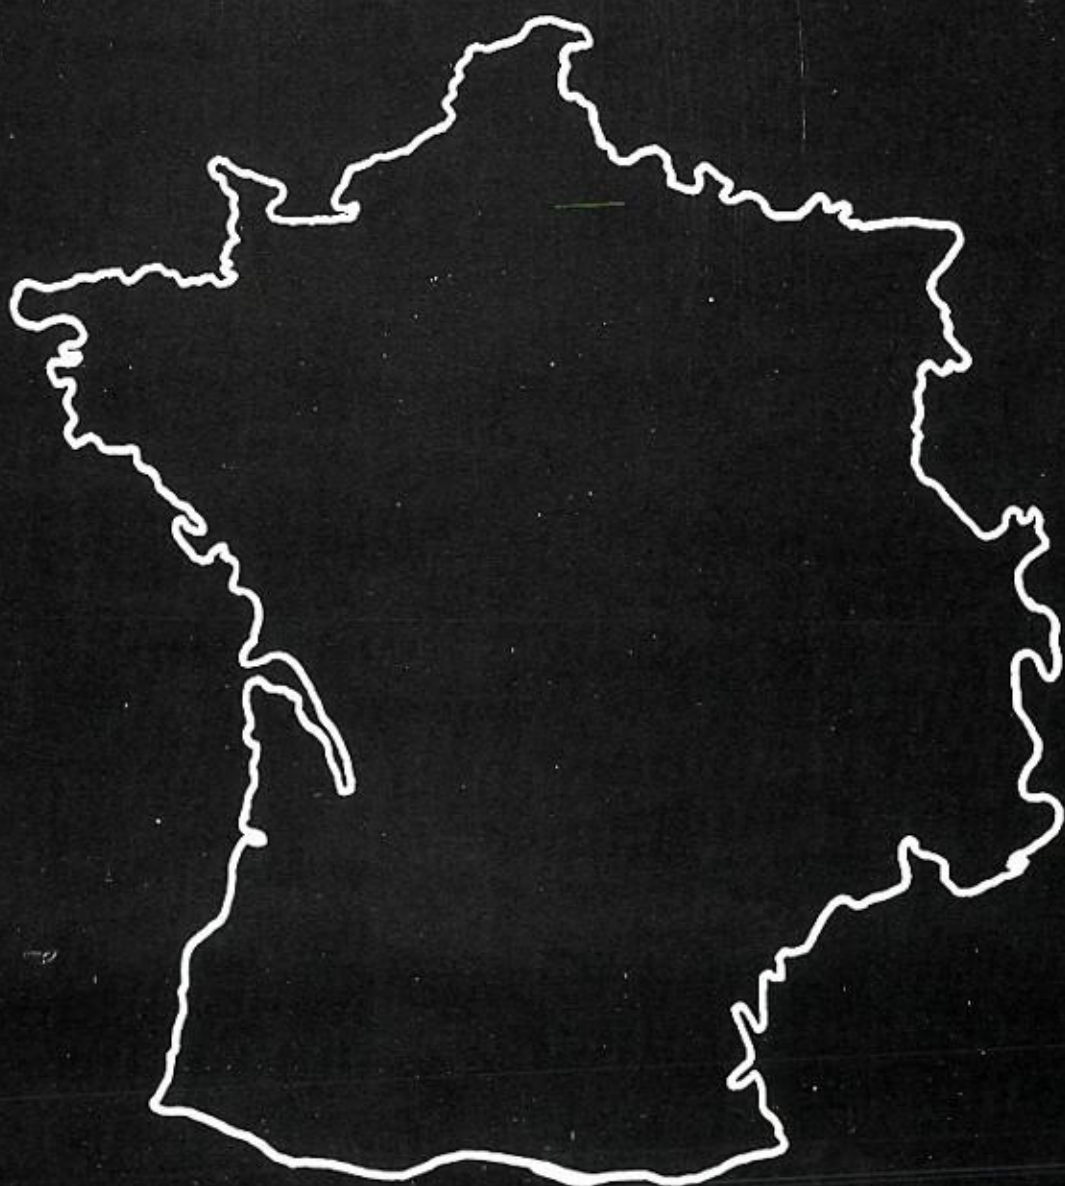

This is how Dumas won state???

Coaches

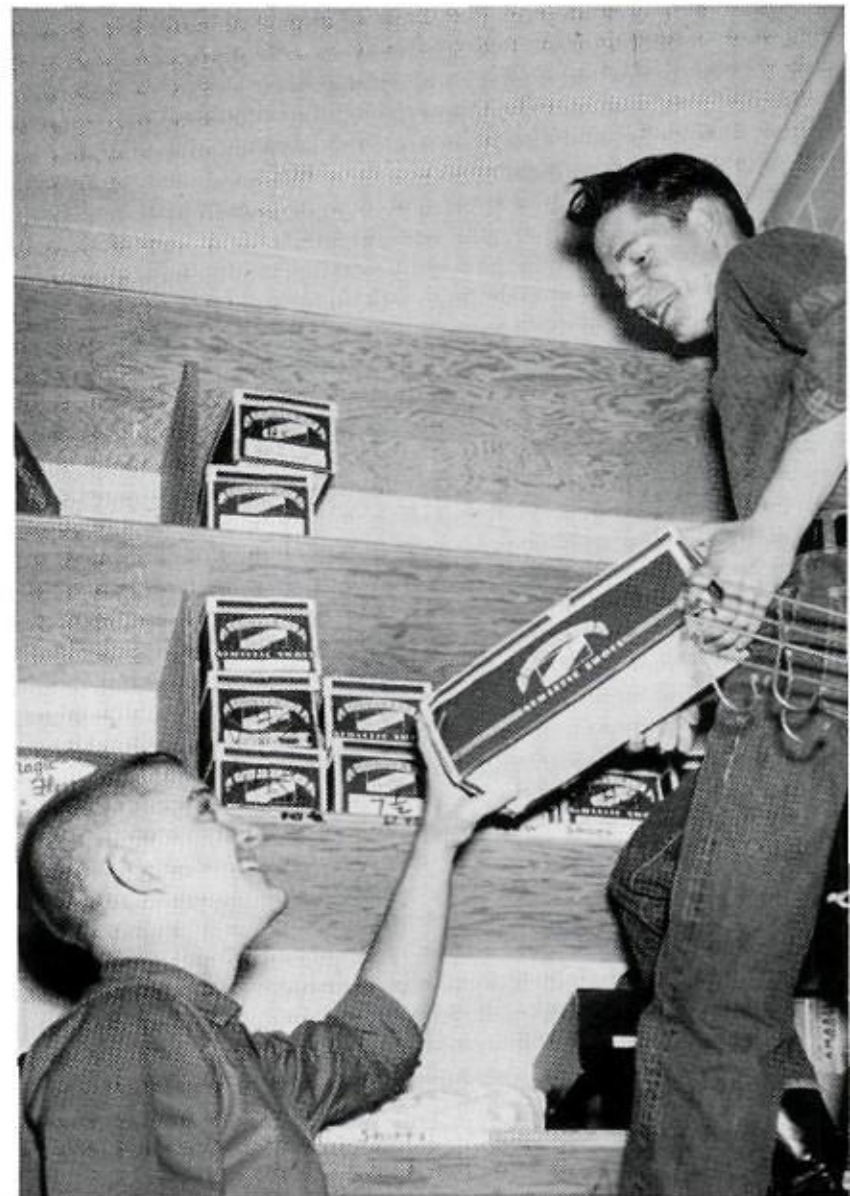

The basketball coaches are: (L. to R.): Assistant coach - Bill Spann; Head coach - Jerry Hale; and Assistant coach - Gary Ward. These three men have developed a fine basketball team. Congratulations to both the coaches and boys for an excellent season.

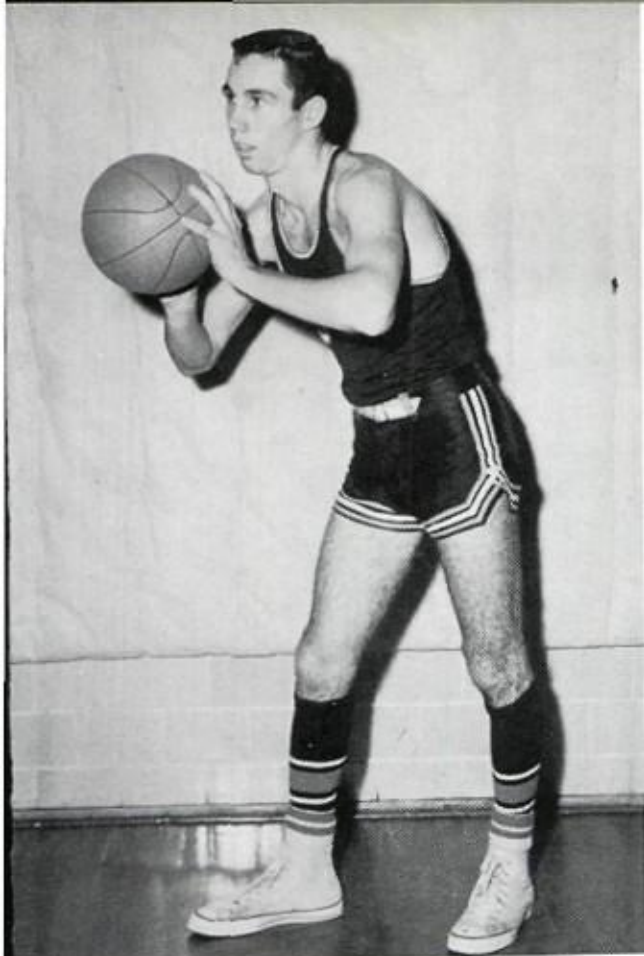

Managers

Stocking and keeping the basketballs aired up are just a few things that these boys do. Both Tubby and Richard work as many or more hours than many of the players themselves.

Managers - Richard Cameron and Tubby Phelan work many hours each week so that the players will have clean equipment for each day's practice and especially for each game.

An annual is only as good as the staff behind it. Each member lent not only of his time but wholly of his personality to make this book a personal triumph for everyone. Each one has worked hard in publishing this annual for you to remember in later years.

We especially appreciate the help of our sponsor, Mr. Gene Ledbetter, who has been most patient and has worked hard toward the making of this annual.

On behalf of the annual staff, we truly hope you will enjoy the 1962 Demon.

When the orange and black are fighting and
they're doing their best for you

As those Demons are marching onward--are you
going to back them through - Rah Rah

From the students a voice of thunder comes the
answer that brings a thrill

Dear Old Dumas and Dumas Demons for dear old
high school we will.

Here where no one will look,
I sign my name to end this book
M. J. Dumas
